

# TOP 5 REASONS TO WALK AWAY FROM THIS JOB:

## 1) God does not approve.

By helping to create this place where unborn babies will be torn out of their mothers' wombs and thrown in the garbage, you are directly cooperating with evil.

Abortion is killing. **God tells us, "You shall not kill."** (Exodus 20:13)

## 2) Innocent babies will die here.

Abortion takes the life of an innocent unborn child.

"You formed my inmost being; you knit me in my mother's womb." Psalm 139:13

**Last year at 3601 Fannin, Planned Parenthood reported performing 7,256 abortions.**

**In this new building, they will kill even more babies each year.**

## 3) Abortion hurts women and families.

**Symptoms of Post-Abortion Syndrome may include:** Depression, Guilt, Inability to forgive yourself, Intense grief/sadness, Anger/rage, **Difficulty maintaining relationships**, Sexual problems or promiscuity, Pattern of repeat crisis pregnancy, Multiple abortions, Eating disorders, Lowered self esteem, **Drug and alcohol abuse**, Nightmares and sleep disturbances, **Suicidal urges**, Anxiety and panic attacks, Flashbacks; **Physical complications which can occur:** Breast Cancer, Inability to conceive, Inability to carry another pregnancy to term, Increased Risk of ectopic pregnancy

"I personally know how abortion affects women, families and communities. I was 17 years old, 8 weeks pregnant and felt completely abandoned and alone with no other choice but to abort. I was never told the consequences of what having an abortion would do to me or what it would do to the life that was growing inside of me. Fifteen years after living a lifestyle of self destruction and torture because of abortion, I was diagnosed with PTSD and clinical depression. I was not capable of being the wife I was created to be and I was not able to be the mother to our two sons that they needed me to be." -Ann from Texas (<http://www.texasabortionrecovery.org/mystory/Ann/tabid/1083/Default.aspx>)

## 4) Guilt and regret follow bad choices.

Working on this job is a bad choice. If you work on this job, you will be responsible for the death of thousands of innocent babies. Is it worth it? Please read about Auschwitz on the other side.

## 5) You will lose business and trust.

Texas Families Oppose Planned Parenthood's Expansion. If you continue to work on this job, thousands of Pro-Lifers will boycott you and your business. We cannot and will not financially support an individual or company who builds a baby-killing center. (For more information visit [www.TexasFamilies.org](http://www.TexasFamilies.org))
